BIG SIR NOTES
Jim Botto - 586-0822

I hope everyone had a wonderful Christmas with family and friends. I am looking forward to a prosperous New Year for our SIR Branch 136. The Christmas Luncheon was one of the largest events we have had in a long time. I want to thank all those wonderful people that donated raffle prizes. Although food costs have gone up substantially the BEC decided to hold the ticket price to \$25 this year. With the purchase of the 50" TV won by, Bonnie & Jim Rancatore, the generous donations of the raffle prizes, and the sale of the center pieces, we ended up with a slight loss of (\$148). This event was made possible due to the hard work by our special events committee: Dick Aberle, Bill Guenza, Scott Lewis, Rex Page, John Vieira, and Gene Zaroni. At the Luncheon the award for "The SIR of The Year" was presented to Dick Aberle for his outstanding contributions throughout the 2018 year. The "Rooster Booster" award was presented to Rex Page, who was our RAMP Chairman and headed up every special event at the fairgrounds. Unfortunately, Rex and his family were unable to attend the luncheon, they were out of town on family business. The "Grand Prize" won by Anne & Levi Jimenez, "Dinner for two at the Seven Sisters Restaurant" and "2-\$25 Free Play Vouchers" donated by The Black Oak Resort and Casino. Your 2019 BEC:

LITTLE SIR NOTES
Gene Zaroni - 532-1989

I shall start my initial monthly commentary as Little Sir for 2019 by reflecting upon the 2018 Christmas Luncheon held at the Elks Lodge. Please keep in mind that my remarks are confined as to my personal observations and impressions as experienced first-hand.

As a member of the Special Events Committee, I was strongly encouraged by the diligent effort put forth by the setup group in the early morning of the event. Those SIR members that appeared in order to fulfill their commitment for this task were strongly motivated and displayed a sincere sense of independence. Due to their self-determination, the group performed free of supervision and full satisfaction was realized within the shortest time required. I can only hope for similar commitments for all future events.

Later that morning I moved over to assist at the “check in” table to accommodate those members that arriving for the festivities with their spouses and, or special guests. From these individuals there were repeated expressions of concern regarding their table and or seating location. For the most part, it was our responsibility to re-assure them of their previously committed designations as recorded in our records at the time of their ticket purchases. Together with Jerry Bellefeuille, we formed the first team and later he was relieved by Dick Aberle for the duration of this process: which concluded once everyone was comfortably and properly seated right up until moments prior to the commencement of the event. I found that great satisfaction in working with these two gentlemen.

I wish to remind you that in staging an event for such a large gathering of people, unfortunately, potential glitches nearly always seem to be lurking in the background. In effectively dealing with most unwarranted issues that arise, forward thinking committee members oftentimes serve as a reliable defense to thwart any such unwelcomed situations; thereby, preserving a joyous experience for all attendees. I will re-visit this notion in greater depth in an upcoming narrative.

In a recent BEC meeting, the idea that a committee composed of three members—led by the Little Sir—is to be formed to address the matter relating to the selection of monthly guest speakers. The composition of this committee is imminent and is anticipated to be revealed by January’s BEC meeting. I intend to follow up on such an announcement in next month’s commentary.

Until all the available remaining months for the 2019 calendar year are occupied with scheduled guest speakers, I remain open to any suggestions that you may possess. This may include a repeat guest that spoke previously during one of our luncheons or else someone entirely new. Please call me at (209) 532-1989 or feel free to approach me at any luncheon with suggestions regarding an individual or an interesting topic that you feel has broad appeal to our branch members. All suggestions received shall be acknowledged with serious consideration for implementation. Thanking you in advance.

RV CLUB

CHAIRMAN: Eddie Toews 532-3970
lcoinlady@aol.com

The RV Club finished up a great 2018 season with a wonderful Christmas gathering for dinner at the Sonora Hills Club House. There was a very nice Ham dinner with plenty of sides, salads and desserts for everyone to enjoy. The dinner was hosted by Jim and Ginny Johnson and co-hosts Steve and Carolyn Gregory.

We are now preparing for the 2019 season with several outings scheduled.

If not you, who?

Over a year ago I was approached by a BEC member and asked if I would “volunteer” for an important job at SIR Branch 136. I was told it would only take a few hours a month and was a very influential position. I thought I had the prerequisite skills to handle the job, so I then looked at my schedule to see if I a few spare hours a month to set aside for, what I hoped would be, increased stature. I knew I did, but I think I was just looking for an excuse to **not** volunteer. Mind you, it took me 3 years to join SIR. Why should I join a group of “retired” men? Did I really want to join a social organization, when I’m not that sociable anyways? The excuses were endless.

In reality, my schedule was not very busy, and I already spent several hours a day surfing the web. So, I decided to get off my butt and take the job on a trial basis. Or, so I thought. I was trained for several hours over 2 months, given all the necessary materials and BEC support, and was told “you’re doing a great job”. Of course, they would say that, who else would volunteer? Over the next few months I settled in to the position. Let me tell you, this job requires more than a few hours per month.

I have yet to see the “influential” aspect of my position. Nor, do I expect to. But I do feel personally satisfied in the job I’m doing and take pride when members comment (good or bad) about what I’m doing and how I’m doing it. My job, like all at Sonora SIR Branch 136, is not done in a vacuum; and I would not be able to put out a good product without the input, help, and assistance of other SIR volunteers. The experience has been very rewarding and has led to many, hopefully, long lasting friendships.

In closing, if you’re asked to volunteer, please consider. **If not you who?**

PINOCHLE

Chairman Bob Morrison - 588-0994
robert.mrrsn@yahoo.com

The three adjacent tables show our scores for the pinochle sessions in December. The first one lists for each player the average of the scores for the sessions he played. The second lists the first place winner and his score for each week. The third lists the average score of each SIR branch for the year through December.

Please join us in playing pinochle. If you don't know how to play, we will teach you. You don't need to come every time but only when you want to. Your first two sessions are free, but thereafter you pay only \$3 at each session. (Where else can you have a fun afternoon so cheaply?) You will win \$10 if you score in the top 50% at the end of one of your free sessions. You will play with members from all our three SIR branches. The two highest scoring players at the end of a session win cash prizes. We meet each Monday at the Senior Center, Room C, 540 Greenley Rd. We start playing at 1:00 P.M. and finish before 4:30 P.M. Some of us come earlier to have lunch between noon and 1:00 P.M. To have a lunch served by the Senior Center, you must be seated at a table in the lunch room by noon. Or you can bring your own lunch and have it in either the lunch room or Room C. For more information, please call me and/or go to the web site www.sirtwain.org and click on the pinochle icon.

I do not know anything definite at this time. I have been in contact with the Tournament Director at Greenhorn Creek Golf Course, discussing the possibility of having our monthly tournaments at that facility. Nothing is definite, but I will keep everyone informed as I get information.
