### **BIG SIR MESSAGE**

**Rick Bronner (408) 318-4826**

**[bronnerrick@gmail.com](mailto:bronnerrick@gmail.com)**

I'm sad to report the passing of our long-time fellow SIR Member Earl Randall. Earl had been a member with us since 2013. Earl was always so generous when it came to raffle donations. I understand he had quite a liquor collection. So, let's all hoist a glass and have a final farewell toast to Earl!

I would like to welcome our newest member Tom Eager. Tom was brought in by our fellow member Ron Atkins. Tom has a background as a Chemist and Micro-Biologist. Welcome to SIR Branch 136 Tom.

Our upcoming meeting this November 11<sup>th</sup> takes place on Veterans Day. We currently have appx 50 veterans in our branch. Let's all thank our veterans for their duty and dedication to supporting our great country.

This month we will have the pleasure of having Leigh Roberts from the Tuskegee Airman Heritage chapter of Sacramento. Leigh is the daughter of the late Col. George S. "Spanky" Roberts. Spanky was the first commander of the Tuskegee 99<sup>th</sup> fighter squadron.

Don't forget we are now selling tickets for December's Christmas Banquet. Choices are Prime Rib, Salmon or Chicken Piccata. Shrimp Cocktail and desert is included all for just \$40.

*Rick Bronner*

### **LITTLE SIR MESSAGE**

**Mike Krom - (209) 586-1533**

**[mmowers@mlode.com](mailto:mmowers@mlode.com)**

Well here I am again. Which in my opinion is pretty good. I have been doing my chemo as ordered per oncologists at Adventist Health and Stanford Palo Alto. The problem being is with the next rounds of Chemotherapy - there is a discrepancy between Stanford and Adventist. They both agree to the immunotherapy, but for how long, or in their terms how many more cycles.

Again, this is my understanding, which could be a million miles away, which at times my brain makes things up. So who knows for sure.

Adventist says end it and Stanford says carry on. Either way I will be receiving immunotherapy for the next 6 months.

See I already screwed up. Adventist says stop the Chemo but carry on the immunotherapy, Where Stanford say's continue with both. Mind you I still have a professional nurse at my side who is constantly monitoring my bloodwork every Monday and my wife who gives me the evil eye when she thinks I've made the wrong decision. I think we all know where this is going.

There is a lot to it and decisions to be made. As for myself I feel great. Sometimes lazy and sometimes I think I better get this stuff done.

Winter is coming, Patio furniture has to be put away, lawn has to get its final mow for the season, trees pruned, debris to the dumps and on and on. Will I make it in time? I hope so. I hope you guys enjoyed this briefing and Pam and I will see you at the Christmas dinner.

Shoot, I did want to mention a couple more things about the effects of Chemotherapy. Mind you, this has been told to me by nursing staff and the doctors. My eyesight will get worse, My hearing will get worse and my memory will get worse. But the good thing is once I complete my Chemo and immunotherapy all will return. Let's hope so. I will try to stay in touch

**CHAPLIN'S CORNER**

**Steven Gregory - (209) 728-5707**  
**discogregory@aol.com**

It is with deep regret that I must announce the passing of long time SIR member Earl Randall Badge #315. Due to a serious fall at home in early Oct. He was life flighted to Memorial Hospital In Modesto. After numerous surgical complications, he left us Oct. 17 at age 94.

Last summer we did a tribute to him and his many accomplishments at our monthly meeting which he greatly appreciated. The tribute included the Union Democrat front page feature story about Earl's life entitled "It's nice to be nice". He was active in our RV club and known for his generous contributions to our auctions as well as raising substantial donations for Interfaith. No obituary has been released yet but a celebration of life is expected after Jan. 1st. Please join me in sending a card to the Family of Earl Randall, 18414 Yarrow Road, Tuolumne, CA 95379. He will be greatly missed. RIP...

**RV CLUB NEWS**  
**Eddie Toews (209) 770-3776**  
**lcoinlady@aol.com**

I am writing this article with a sad heart. This month we lost a longtime member to the RV group. As you read in the bulletin this month, Earl Randall passed away. He was an active person in SIR and the RV group.

For several years, Earl, along with the RV Group, helped with the SIR picnic with supplying equipment and BBQ Pits to Indignity Reserve, help setup and cleanup so we could have a great day. For our three ladies' functions, Earl would donate money and wine for the raffles.

After Mo Molinari moved away, Earl took over the RV Club funding and food donations for Interfaith. He would collect everything and get the Sonora ELKs Lodge to match our donations up to \$1000.00. Last year he presented Interfaith with over \$2000.00 (this was not a SIR sanctioned project).

For those that didn't know Earl, he appeared to be an abrasive person and not real friendly. Those that got to know him found that he was a very giving and generous person. If you could get him to talk about his life, he had some very interesting stories ie: his jobs in the Teamsters Union, Body guard at times and driver for some politicians.

Earl will surely be missed by all that had gotten to know him.

Our thoughts and prayers go out to his family.

## GOLF CLUB NEWS

**Raul Santana - (925) 451-7351**  
**rsantana01@yahoo.com**

The SIRS October 2025 golf tournament was held at Teleli GC in Sonora.

This was **NOT** the last tournament of the year. The weather was a bit cool to start but warmed up for a beautiful day. We tried a new format called Bingo, Bango, Bungo. Basically, dots were awarded for; first ball on the green, closest ball to the flag and first one to get their ball in the hole. Also, a dot was awarded to whomever had the lowest score on the hole. This made for a long but fun day.

Each dot was worth a whopping \$.32 cents each!

Branch 136 winners; Rick Bronner (15 dots), Dave McGuigan (13 dots),

Jim Lucia (19 dots), Trini Mercado (9 dots), Tom Niederer (18 dots),

Raul Santana (21 dots), Mike Wright (13 dots). Also, congrats to Jim Lucia for 2nd place on closest to the pin on hole #7.

The **last** tournament of 2025 is scheduled for November 18th at Teleli GC. Hope to see you on the course.

## CAR CLUB NEWS

**Rick Bronner - (408) 318-4826**  
**bronnerrick@gmail.com**

I recently attended the Snelling Car show hosted by the Yosemite Corvette Club of Merced. This is most likely the last car show in our area this year. There was quite a diverse collection of Hot Rods, Classics and of course lots of Corvettes. Turnout was down a bit from last year but there were still close to 100 cars on display. I hope everyone is getting ready to winterize your collector cars. Do you have Sta-Bil to add to the gas? Need a mouse blocker to keep the critters away? Want your tires to stay nice and round? Safest bet is to put your car on jack stands for the winter.

Happy Motoring

## **Striking up Friendships**

### **FROM RAY:**

On October 14<sup>th</sup> the tournament schedule took us to Brentwood Bowlero in the Delta region. Our host from Branch 161, Ron Wilson, did a fantastic job of welcoming over 80 bowlers for the one-day event. We were able to use all 32 lanes for six hours of competition which produced several high scores. The house came alive when Mark Blackshere of Branch 19 rolled an amazing 299, just missing a perfect game with a stone 8 pin in the 12<sup>th</sup> frame. While disappointment was felt by everyone, Mark still received lots of accolades on the job well done.

Our last tournament of the year will be held November 6/7<sup>th</sup> at McHenry Bowl in Modesto. Always a popular location, this one will wrap things up for 2025. We will be taking December off for the holidays and see everyone again in Napa January 20/21<sup>st</sup>.

Behind the scenes the State Bowling Committee is hard at work on the 2026 calendar. We will be returning to most locations; however, we might be seeing some new venues. Should you want to see a tournament in your area, please let me know sooner rather than later.

For results of this tournament and more, head over to the SIR Bowling webpage: [SIR BOWLING](https://www.sirinc3.org/sirBowling)

See you on the lanes,

*Ray Di Basilio*

### **FROM RICK:**

The SIR winter bowling league is in full swing. We still have openings for a couple more bowlers. We meet at noon every Monday at Black oak Casino. Cost is only \$20 a week. So come join in the fun. SIR Bowling is open to all SIR members and their wives.

## HAPPY THANKSGIVING!

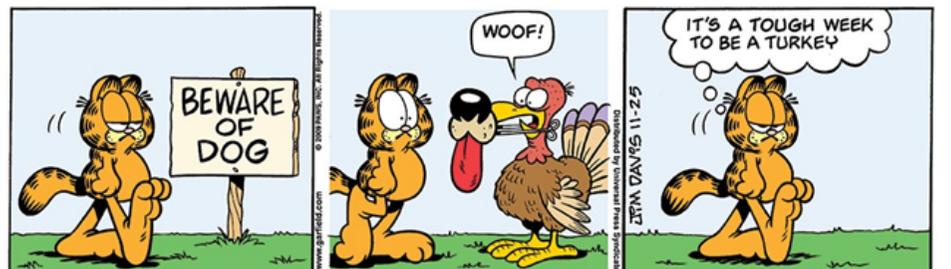

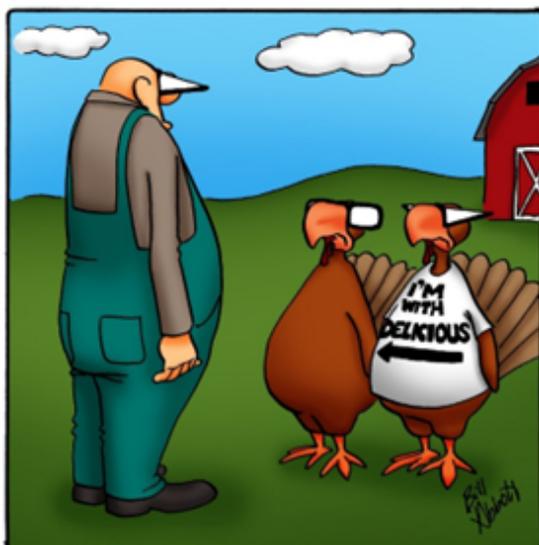

It is hard for me to believe we are already in November. November is a special month which displays Nature's beauty as we see the colors of Fall, albeit perhaps a little faded. We feel the crispness in the air and the rejuvenation of Winter rains.

But the best part of the month for me is Thanksgiving, one of my favorite holidays. It is not because of the traditional or the non-traditional Thanksgiving Feast or the football games. It is because it is a time when we pause and think of the many things that bless our lives and for which we are thankful. I'm thankful for my family, and the life and peace which we have been afforded. We owe a huge debt of gratitude to all those who have made this possible: Among others, to our family, our friends, our military, our police, our teachers, our churches, our doctors, our leaders, our employers, our retail and grocery stores and all those men and women who work, and have worked and sacrificed, in those organizations. While we aren't immune to difficulties and problems, they are dwarfed by the misery which abounds today in the world. Yes, Thanksgiving is a time to ponder and recognize the many blessings we have and the people who have sacrificed to enable them.

And yes, I am thankful for SIR which facilitates our activity, provides opportunities for service and growth, brings joy and fun while satisfying our social needs and providing lifetime friendships. SIR allows us to enjoy life longer in a dignified but fun and rewarding manner. Thank you SIR.

**Yes, I love Thanksgiving!!!**

What did the turkey say when he met the President? Pardon me.

What do you call a turkey the day after Thanksgiving? Lucky.

If April showers bring May flowers, what do May flowers bring? Pilgrims!

What do you get if you divide the circumference of a pumpkin by its diameter? Pumpkin pi!

## ACTIVITIES mean FUN!

One of the primary goals of SIR is for our members to have fun! So, I thought it appropriate to look at the many activities that are available in our branches. The below chart was put together under the direction of Lee Lamb in 2024 and shows the top fifty activities and the number of branches offering them at the time. The chart likely doesn't show all of our activities or the total number of branches now offering them but it is an excellent overview of what is offered.

Why is this information important you ask:

- First, to show the variety of the activities offered and the number of branches offering them.
- Second, to provide you information if you would like to create new fun activities for your branch members. If you see one or more activities you would like to have, simply contact our State Director of Activities, Michael Lee, and let him know. He can connect you with the activity chair or Big Sir of branches with that activity and they will give you invaluable guidance on how to organize and run the activity so it will be successful. Talk about a time saver!!
- Third, in working with Michael, you may find that the better solution for your members will be to coordinate with a successful branch and create a joint activity with them.
- Finally, your members can individually benefit from the information. For example, if you have a member planning a trip who loves kayaking, he may want to contact a branch offering kayaking and arrange to join them at their activity.

**So many more possibilities for having with SIR!! Let's take advantage of them.**
